- a. From one hour before the programmed commencement of runs to 30 minutes after the final run, dogs must be kept in the motorhomes or caravans out of sight of the public. **It is not acceptable to leave dogs in cars or vans.**
- b. Dogs may need to be exercised in the middle of the day and this must be done outside the park. Wherever possible such dogs should be removed from, and returned to, the park by car. Identifying this intention to the gatekeeper will avoid embarrassment on return.
- c. Outside the hours identified in a., dogs may be exercised in the park within the area leased by HDLCC, identified by signage within the parking areas and not to the east or south of the track.
- d. **Dogs must be on a lead at all times when outside a motorhome or caravan and, when being exercised.**

The Club is grateful to Loton Park Estates for granting this concession, but it must be pointed out that it will be withdrawn if competitors do not abide by the rules. - Competitors wishing to leave the venue prior to the completion of the event must seek permission from the Clerk of the Course. However, **NO** trailers or tow cars may be brought back into the main paddock before the end of the event because of blocking access to other competitors preparing for their runs and access for emergency vehicles through the paddock to the venue access/exit.
