- 24. ACCESS:** Loton Park (SY5 9AG) is located 9 miles west of Shrewsbury on the B4393 in the village of Alberbury. The gates into the park will be opened at 12:00 noon on the day before the event. Loton Park is a deer park, and the gates must be closed during the hours of darkness. If you arrive after nightfall, please ensure the gates are closed behind you.

- Health & Safety regulations require a minimum gap of 6 metres between parked motorhomes, caravans etc. This regulation must be observed.

All waste so contained in these systems must be removed from the site for disposal. Anyone found to be failing to comply with this instruction may be asked to leave the event.**

**26. DOGS: Members of the public are not permitted to bring dogs into Loton Park (with the exception of Registered Guide Dogs).**

Our landlord has agreed to allow competitors to bring dogs into the park on the following basis:-

- a. From one hour before the programmed commencement of runs to 30 minutes after the final run, dogs must be kept in the motorhomes or caravans out of sight of the public. **It is not acceptable to leave dogs in cars or vans.**
- b. Dogs may need to be exercised in the middle of the day and this must be done outside the park. Wherever possible such dogs should be removed from, and returned to, the park by car. Identifying this intention to the gatekeeper will avoid embarrassment on return.
- c. Outside the hours identified in a., dogs may be exercised in the park within the area leased by HDLCC, identified by signage within the parking areas and not to the east or south of the track.
- d. **Dogs must be on a lead at all times when outside a motorhome or caravan and, when being exercised.**

The Club is grateful to Loton Park Estates for granting this concession, but it must be pointed out that it will be withdrawn if competitors do not abide by the rules. In the event of an incident involving a dog brought in by a competitor or their support crew, the offender will be required to remove the dog immediately. Should an unleashed dog worry game, the Gamekeeper will be within his rights to take appropriate action.

**FAILURE TO ABIDE BY THE RULES ON DOGS AT LOTON PARK WILL RESULT IN DISQUALIFICATION AND REMOVAL FROM THE VENUE.**

**27. PADDOCK DISCIPLINE:** In parts of the tarmac surfaced paddock, trailers, or tow vehicles (but not both) may be parked adjacent to competition vehicles. Competitors' cars or support vehicles must not be parked at the top of the paddock in the area designated for Officials and parking for the Disabled. Cooking appliances e.g., BBQs, gas/primus stoves etc. are not to be used in the paddock. Smoking is discouraged in the paddock because of the presence of fuel. Canopies are to be securely weighted in position. There are to be no fixings into the tarmac surface.

- When returning to the paddock after a run, **please drive forwards** into your allocated paddock space to prevent congestion and delays. Cars may be turned around later, provided no disruption is caused.

**CAUSING DISRUPTION BY REVERSING INTO A PADDOCK ON RETURN FROM A RUN MAY RESULT IN DISQUALIFICATION OR LOSS OF A RUN.**

- Competitors wishing to leave the venue prior to the completion of the event must seek permission from the Clerk of the Course. However, **NO** trailers or tow cars may be brought back into the main paddock before the end of the event because of blocking access to other competitors preparing for their runs and access for emergency vehicles through the paddock to the venue access/exit. A pass-out will be issued by the gate staff to competitors or service crew wishing to leave the venue for a short time during the event.
- The riding of cycles or scooters or use of any wheeled appliance such as skateboards or hoverboards or Segways is not allowed at Loton Park for the duration of the event.
- No competing or non-competing vehicles are allowed on the track out-of-hours unless on HDLCC business relating to the running of the event and authorised by the Clerk of the Course.

**Note 1** Vehicles competing in Class 9A must comply with the appropriate Motorsport UK Formulas Ford Regulations.

**Note 2** To be eligible for 12A and 12B, vehicles of monocoque construction and those with rear wings will be allowed, provided they were standard on the car at the appropriate date. Wheel rim width may be increased by no more than 25mm, but period style must be retained. The use of slick tyres is prohibited. The type, size and tread of tyre must remain the same throughout the meeting. Post 1945 cars must run on treaded tyres which may be road tyres complying with the Motor Vehicles (Construction and Use) regulations, or racing tyres provided the latter have grooves in the tread pattern which must be lateral and circumferential and any 40mm diameter area of the tyre must have grooves in at least two different directions, which themselves must have a minimum width of 3mm.

**Note 3** Except for those entered in a specific championship or club class, all Caterhams, Lotus Sevens, Westfields etc. complying with (S)12 and (S)13 of the Motorsport UK Yearbook will enter classes 2 or 4. All other cars of this type which do not comply with above will enter classes 5 or 6 and comply with the relevant safety regulations.

**Note 4** As a further reference I refer you to Environmental Concerns - paragraph 5 of the 2023 Non-Race Car Championship Sporting and Technical Regulations : which now states - **THAT THE USE OF THESE PLASTIC WRAPS IS PROHIBITED** - referring to 'single use' plastic tyre wrapping.
